Leave No One Behind

LEAVING NO ONE BEHIND - A COMMITMENT TO ADDRESS FORCED DISPLACEMENT

- Commit to a new approach to addressing forced displacement that not only meets immediate humanitarian needs but reduces vulnerability and improves the resilience, self-reliance and protection of refugees and IDPs. Commit to implementing this new approach through coherent international, regional and national efforts that recognize both the humanitarian and development challenges of displacement. Commit to take the necessary political, policy, legal and financial steps required to address these challenges for the specific context.
- Commit to promote and support safe, dignified and durable solutions for internally displaced persons and refugees. Commit to do so in a coherent and measurable manner through international, regional and national programs and by taking the necessary policy, legal and financial steps required for the specific contexts and in order to work towards a target of 50 percent reduction in internal displacement by 2030.
- Commit to collectively work towards a Global Compact on responsibility-sharing for refugees to safeguard the rights of refugees, while also effectively and predictably supporting States affected by such movements.
- Commit to actively work to uphold the institution of asylum and the principle of non-refoulement. Commit to support further accession to and strengthened implementation of national, regional and international laws and policy frameworks that ensure and improve the protection of refugees and IDPs, such as the 1951 Convention relating to the Status of Refugees and the 1967 Protocol or the AU Convention for the Protection and Assistance of Internally Displaced Persons in Africa (Kampala convention) or the Guiding Principles on internal displacement.

Change People's Lives: From Delivering Aid to Ending Need

CHANGING PEOPLE'S LIVES - FROM DELIVERING AID TO ENDING NEED

- Commit to a new way of working that meets people's immediate humanitarian needs, while at the same time reducing risk and vulnerability over multiple years through the achievement of collective outcomes. To achieve this, commit to the following: a) Anticipate, Do Not Wait: to invest in risk analysis and to incentivize early action in order to minimize the impact and frequency of known risks and hazards on people. b) Reinforce, Do Not Replace: to support and invest in local, national and regional leadership, capacity strengthening and response systems, avoiding duplicative international mechanisms wherever possible. c) Preserve and retain emergency capacity: to deliver predictable and flexible urgent and life-saving assistance and protection in accordance with humanitarian principles. d) Transcend Humanitarian-Development Divides: work together, toward collective outcomes that ensure humanitarian needs are met, while at the same time reducing risk and vulnerability over multiple years and based on the comparative advantage of a diverse range of actors. The primacy of humanitarian principles will continue to underpin humanitarian action.
