Individual Commitments			
Commitment Description	Commitment Type	Core Responsibility	Commitment ID
Using humanitarian principles as a guide and a driving force for their action, Coordination SUD signatories commit to respecting, promoting and applying humanitarian principles as well as making them a part of their internal policies; signing the "Code of Conduct for the International Red Cross and Red Crescent Movement and for NGOs" and applying this to their action; denouncing obstacles to principled humanitarian aid; encouraging other stakeholders, including their partners, to sign up to these principles and to apply them to their work; and systematically denouncing serious attacks upon humanitarian staff and their mission, and promoting better protection of humanitarian aid workers. Deliver collective outcomes: transcend humanitarian-development divides

Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID

<p>Working for a coherent and effective integration of humanitarian action into the global aid system, Coordination SUD signatories commit to: ensuring that their strategy and action help towards reaching the objectives laid out in international and global frameworks; basing their decisions on a concerted approach with the participation of all stakeholders involved in issues relating to aid, and sharing with them analyses of context and needs assessments, unless the context renders it impossible; ensuring that humanitarian aid does not create dependency and does not compromise long-term investment aimed at making affected populations more resilient; improving the continuum between emergency situations and development by offering a united, complementary response.</p>	Operational	Change People's Lives: From Delivering Aid to Ending Need	144003
