- Commit to speak out and systematically condemn serious violations of international humanitarian law and serious violations and abuses of international human rights law and to take concrete steps to ensure accountability of perpetrators when these acts amount to crimes under international law.

#### WOMEN AND GIRLS: CATALYZING ACTION TO ACHIEVE GENDER EQUALITY

- Implement a coordinated global approach to prevent and respond to gender-based violence in crisis contexts, including through the Call to Action on Protection from Gender-based Violence in Emergencies.
- Fully comply with humanitarian policies, frameworks and legally binding documents related to gender equality, women's empowerment, and women's rights.

### Leave No One Behind

#### LEAVING NO ONE BEHIND - A COMMITMENT TO ADDRESS FORCED DISPLACEMENT

- Commit to a new approach to addressing forced displacement that not only meets immediate humanitarian needs but reduces vulnerability and improves the resilience, self-reliance and protection of refugees and IDPs. Commit to implementing this new approach through coherent international, regional and national efforts that recognize both the humanitarian and development challenges of displacement. Commit to take the necessary political, policy, legal and financial steps required to address these challenges for the specific context.
- Commit to promote and support safe, dignified and durable solutions for internally displaced persons and refugees. Commit to do so in a coherent and measurable manner through international, regional and national programs and by taking the necessary policy, legal and financial steps required for the specific contexts and in order to work towards a target of 50 percent reduction in internal displacement by 2030.
- Acknowledge the global public good provided by countries and communities which are hosting large numbers of refugees. Commit to providing communities with large numbers of displaced population or receiving large numbers of returnees with the necessary political, policy and financial, support to address the humanitarian and socio-economic impact. To this end, commit to strengthen multilateral financing instruments. Commit to foster host communities' self-reliance and resilience, as part of the comprehensive and integrated approach outlined in core commitment 1.
- Commit to collectively work towards a Global Compact on responsibility-sharing for refugees to safeguard the rights of refugees, while also effectively and predictably supporting States affected by such movements.
- Commit to actively work to uphold the institution of asylum and the principle of non-refoulement. Commit to support further accession to and strengthened implementation of national, regional and international laws and policy frameworks that ensure and improve the protection of refugees and IDPs, such as the 1951 Convention relating to the Status of Refugees and the 1967 Protocol or the AU Convention for the Protection and Assistance of Internally Displaced Persons in Africa (Kampala convention) or the Guiding Principles on internal displacement.

#### **WOMEN AND GIRLS: CATALYZING ACTION TO ACHIEVE GENDER EQUALITY**

- Empower Women and Girls as change agents and leaders, including by increasing support for local women's groups to participate meaningfully in humanitarian action.
- Ensure universal access to sexual and reproductive health and reproductive rights as agreed in accordance with the Programme of Action of the International Conference on Population and Development and the Beijing Platform for Action and the Outcome documents of their review conferences for all women and adolescent girls in crisis settings.
- Ensure that humanitarian programming is gender responsive.

### **Change People's Lives: From Delivering Aid to Ending Need**

#### **CHANGING PEOPLE'S LIVES - FROM DELIVERING AID TO ENDING NEED**

- Commit to a new way of working that meets people's immediate humanitarian needs, while at the same time reducing risk and vulnerability over multiple years through the achievement of collective outcomes. To achieve this, commit to the following: a) Anticipate, Do Not Wait: to invest in risk analysis and to incentivize early action in order to minimize the impact and frequency of known risks and hazards on people. b) Reinforce, Do Not Replace: to support and invest in local, national and regional leadership, capacity strengthening and response systems, avoiding duplicative international mechanisms wherever possible. c) Preserve and retain emergency capacity: to deliver predictable and flexible urgent and life-saving assistance and protection in accordance with humanitarian principles. d) Transcend Humanitarian-Development Divides: work together, toward collective outcomes that ensure humanitarian needs are met, while at the same time reducing risk and vulnerability over multiple years and based on the comparative advantage of a diverse range of actors. The primacy of humanitarian principles will continue to underpin humanitarian action.

- Commit to enable coherent financing that avoids fragmentation by supporting collective outcomes over multiple years, supporting those with demonstrated comparative advantage to deliver in context.

#### **NATURAL DISASTERS AND CLIMATE CHANGE: MANAGING RISKS & CRISES DIFFERENTLY**

- Commit to accelerate the reduction of disaster and climate-related risks through the coherent implementation of the Sendai Framework for Disaster Risk Reduction 2015-2030, the 2030 Agenda for Sustainable Development and the Paris Agreement on Climate Change, as well as other relevant strategies and programs of action, including the SIDS Accelerated Modalities of Action (SAMOA) Pathway.
- Commit to reinforce national and local leadership and capacities in managing disaster and climate-related risks through strengthened preparedness and predictable response and recovery arrangements.
- Commit to improve the understanding, anticipation and preparedness for disaster and climate-related risks by investing in data, analysis and early warning, and developing evidence-based decision-making processes that result in early action.
- Commit to increase investment in building community resilience as a critical first line of response, with the full and effective participation of women.
- Commit to ensure regional and global humanitarian assistance for natural disasters complements national and local efforts.

#### **HUMANITARIAN FINANCING - INVESTING IN HUMANITY**

- Commit to increase substantially and diversify global support and share of resources for humanitarian assistance aimed to address the differentiated needs of populations affected by humanitarian crises in fragile situations and complex emergencies, including increasing cash-based programming in situations where relevant.
- Commit to empower national and local humanitarian action by increasing the share of financing accessible to local and national humanitarian actors and supporting the enhancement of their national delivery systems, capacities and preparedness planning.

### **Invest in Humanity**

#### **HUMANITARIAN FINANCING - INVESTING IN HUMANITY**

- Commit to promote and increase predictable, multi-year, unearmarked, collaborative and flexible humanitarian funding toward greater efficiency, effectiveness, transparency and accountability of humanitarian action for affected people.
- Commit to invest in risk management, preparedness and crisis prevention capacity to build the resilience of vulnerable and affected people.
- Commit to broaden and adapt the global instruments and approaches to meet urgent needs, reduce risk and vulnerability and increase resilience, without adverse impact on humanitarian principles and overall action (as also proposed in Round Table on "Changing Lives").
