Individual Commitments			
Commitment Description	Commitment Type	Core Responsibility	Commitment ID
<p>International Blue Crescent Relief and Development Foundation recognizes and supports durable solutions for IDPs as an essential element of effective transition, conflict prevention, resilience building, and disaster risk reduction efforts. Since the local authorities and host communities cannot cope with the burden alone, it provides leadership in support of solutions to displacement, including integration of durable solutions into longer-term development and peace; and promotes regional equity in access to development assistance, recognizing that IDPs often live and seek solutions in areas that do not necessarily attract significant levels of development support.</p> <p>International Blue Crescent Relief and Development Foundation commits to address the immediate needs of internally displaced people, supporting them to have an adequate standard of living and the attainment of durable solutions.</p>	Operational	Leave No One Behind	384001
