4C Deliver collective outcomes: transcend humanitarian-development divides

Individual Commitments

Commitment Description	Commitment Type	Core Responsibility	Commitment ID
The Global Humanitarian Lab (GHL) supports the Global Alliance for Humanitarian Innovation (GAHI) to accelerate transformative improvements through the power of innovation by enabling and creating a shared space for improving coordination of humanitarian innovation initiatives, development of standards and principles for humanitarian innovation and processes for the global community to more effectively meet humanitarian needs. The GHL will adhere to the GAHI principles on humanitarian innovation.	Operational	Change People's Lives: From Delivering Aid to Ending Need	381001
