### 4C Deliver collective outcomes: transcend humanitarian-development divides

#### Joint Commitments

Commitment Description	Joint Commitment	Commitment Type	Core Responsibility	Commitment ID
Commit to taking concrete steps to ensure that humanitarian action is based on high quality evidence. We will do this by investing in research and the collection, synthesis and analysis of data, by improving the quality and accessibility of this evidence, and by adopting better practices and systems to use and value evidence. We commit to developing this more evidence-based humanitarian sector through collaborations that are multi-national, multi-organisational and multi-sectoral.	<div> <span>✓</span> <a href="#">Active Learning Network for Accountability and Performance (ALNAP)</a> </div> <div> <span>✓</span> <a href="#">IMPACT Initiatives</a> </div> <div> <span>✓</span> <a href="#">World Vision International</a> </div> <div> <span>⌘</span> Oxfam International </div> <div> <span>⌘</span> International Rescue Committee </div> <div> <span>⌘</span> Feinstein International Center, Tufts University </div> <div> <span>⌘</span> Sphere </div> <div> <span>⌘</span> United Kingdom of Great Britain and Northern Ireland </div>	Policy	Change People's Lives: From Delivering Aid to Ending Need	3907002
