## 1B Act early

### Core Commitments

Commitment	Core Responsibility
Commit to act early upon potential conflict situations based on early warning findings and shared conflict analysis, in accordance with international law.	Political Leadership to Prevent and End Conflicts
Commit to make successful conflict prevention visible by capturing, consolidating and sharing good practices and lessons learnt.	Political Leadership to Prevent and End Conflicts

### 1. Highlight the concrete actions taken between 1 January – 31 December 2017 to implement the commitments which contribute to achieving this transformation. Be as specific as possible and include any relevant data/figures.

- Building Love Among Religions published the book “Building Love among Religions for Engineering World Peace” as an attempt to find sincere souls for improving the book “The Most Sacred Teachings of Religions about ‘Metta’.
- Engaged with a number of religious leaders and advocated for “The Most Sacred Teachings of Religions about ‘Metta’” and “Building Love among Religions for Engineering World Peace”.
- Advocated for development of the “Special Peace and Development Zones” concept against ‘Engineering Wars’.

### 2. A. How are you measuring progress toward achieving your commitments? Only the categories selected by the organisation will be seen below.

- Other: By watching Civil Society Organisations activities, people's response, sale and feedback of the books.

### B. How are you assessing whether progress on your commitments is leading toward change in the direction of the transformation?

Building Love Among Religions watch the general religious and civil society organizations activities related to “Metta” and discovered that the religious leaders are quite reluctant to speak of ‘Metta’ and diverting to ‘Compassion’. However, the authorities used more of ‘Metta’ in their speeches. Building Love Among Religions view that as an improvement.

### 3. A. Please select no more than 3 key challenges faced in implementing the commitments related to this transformation. Only the categories selected by the organisation will be seen below.

- Data and analysis  
 Institutional/Internal constraints  
 Other: Religious manipulations and cheating for political and financial benefits.

### B. How are these challenges impacting achievement of this transformation?

- It is impossible to change the mindset of the political and business leaders and achieve this transformation without checking manipulating data and religious teachings for religious leaders’ interest.
- Very few realize and work sincerely to free political leaders from religions and religious leaders influence for effective rule of International Humanitarian Law.

### 4. Highlight actions planned for 2018 to advance implementation of your commitments in order to achieve this transformation.

- Drive humanitarian entrepreneurs development.
- Drive policing of Religious teachings for hate and fakes.
- Drive for Global Religious Forum on Teaching of ‘Metta’.
- Drive for making the book, “ The Most Sacred Teachings of Religions about ‘Metta’”, to become the world's best book.
- Drive for Special Peace and Development Zones in all conflicting areas instead of economic and development.
- Hunting sincere souls for these works, including through religious movements, civil society activities and governments including UN personals.

### 5. What steps or actions are needed to make collective progress to achieve this transformation?

Find partners and plans to urge UNOCHA master-plan and develop Special Peace and Development Zones in conflicting areas.

Building Love among Religions will join as strategic adviser and organize as much as possible. Advocate religious community and civil society organizations to master-plan World Religious Forum and Religious Leaders forums targeting Teaching of 'Metta' in all educational activities. Funds shall be directed to create jobs for sincere souls to develop 'Engineering World Peace'.

**6. List any good practice or examples of innovation undertaken individually or in cooperation with others to advance this transformation.**

- Distribution of the book "Building Love among Religions for Engineering World Peace" by Lap-Lambert Publishing in Europe and US.
- Distribution of the local version of that book.
